

# Rems-Murr-Clinics, Winnenden

Optimal sun and privacy protection

# Rems-Murr-Clinics, Winnenden

## Facts and Figures

The innovative Rems-Murr-Klinik belongs to the category of special real estate and received the real estate award of the Immobiliengesellschaft Stuttgart (IWS) for it

The new building gives the clinic a new standard in medical and nursing areas. High standards enable attractive workplaces and a high level of patient comfort. The motorised sliding shutters with colour oxal ensure optimal sun and privacy protection. Thus, SOMMER was able to convince with years of experience in facade construction for this future-oriented project.
